

ALL YOU CAN EAT CHICKEN AT THE SMOKING GUN

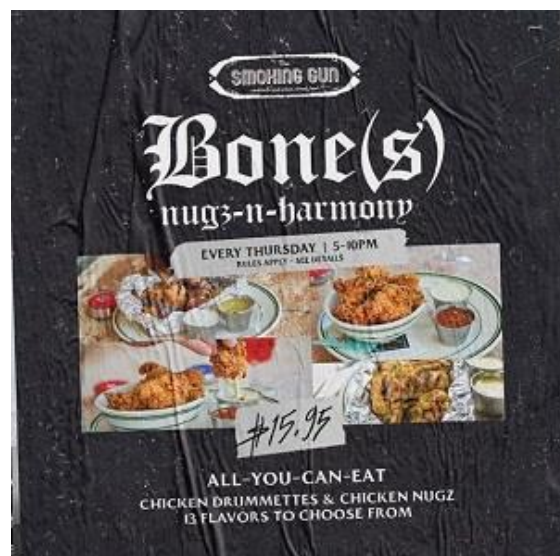

The Smoking Gun located on the corner of 6th and Market in the Gaslamp Quarter has just started their all you can eat Chicken Drumettes and Nugz night from 5-10pm on Thursdays! Guests of the casual “throwback” restaurant and bar can select their fare from a menu contained in a CD case with the cover looking like a Bone (s) Thugs -n-harmony album, but a play on words as Bone(s) nugz-n-harmony. The inside of the cover lets guests choose from a variety of sauces for their braised chicken drumettes or boneless wings (nugz) each served with either tots or home-made potato thick chips.

You will not leave hungry (that’s for sure)

GQA Staff Picks:

- Sherry and I got a chance to try a plethora of savory “nugz” and drumettes. we ordered the sweet and sour drumettes, chimichurri nugz, truffle-garlic parmesan nugz and pineapple habanero drumettes.
- My favorite was the chimichurri nugz which were perfectly seasoned with all the notes of a well developed chimichurri, and the truffle-garlic parmesan nugz. Eating those delicious morsels kept me coming back for more.
- Sherry who likes things spicy really enjoyed the pineapple habanero drumettes. If you are into **extremely** spicy there is a sauce called the “Double Stinger” that is mixed with both ghost and scorpion chilis!
- Patrons can choose 1 flavor per order, and also can dip their chicken in homemade ranch sauce.
